Gregory M. Pardike, Board Secretary-Accountant

February 11, 2016

RE: Red Arrow Highway from CR 652 (24th Street) east to Van Kal (22nd Street), Antwerp Township

To Whom It May Concern:

The Van Buren County Road Commission has worked to secure funding to improve Red Arrow Highway from CR 652 to Van Kal. The project will consist of tree removals, widening, cold milling, resurfacing the roadway and a new bituminous surface.

The first stage of the project will consist of staking the road right-of-way, followed by tree removals. Some tree work will take place at the end of February and the remainder will be completed in March of 2016. The roadway will remain open during the tree work with minor delays. Property owners who would like to keep wood from their property are asked to contact our office to make arrangements immediately.

The remaining road and tree work will begin in the spring of 2016 with a completion date of June 17, 2016. During this stage of the project traffic will be detoured. Property owners will be able to get to their property and will need to use caution when traveling through the construction zone. A detour map is attached.

Your patience and cooperation is greatly appreciated. If you have any questions, please contact myself or Brian Cornish at the Road Commission office at (269) 674-8011. Thank you.

Sincerely,

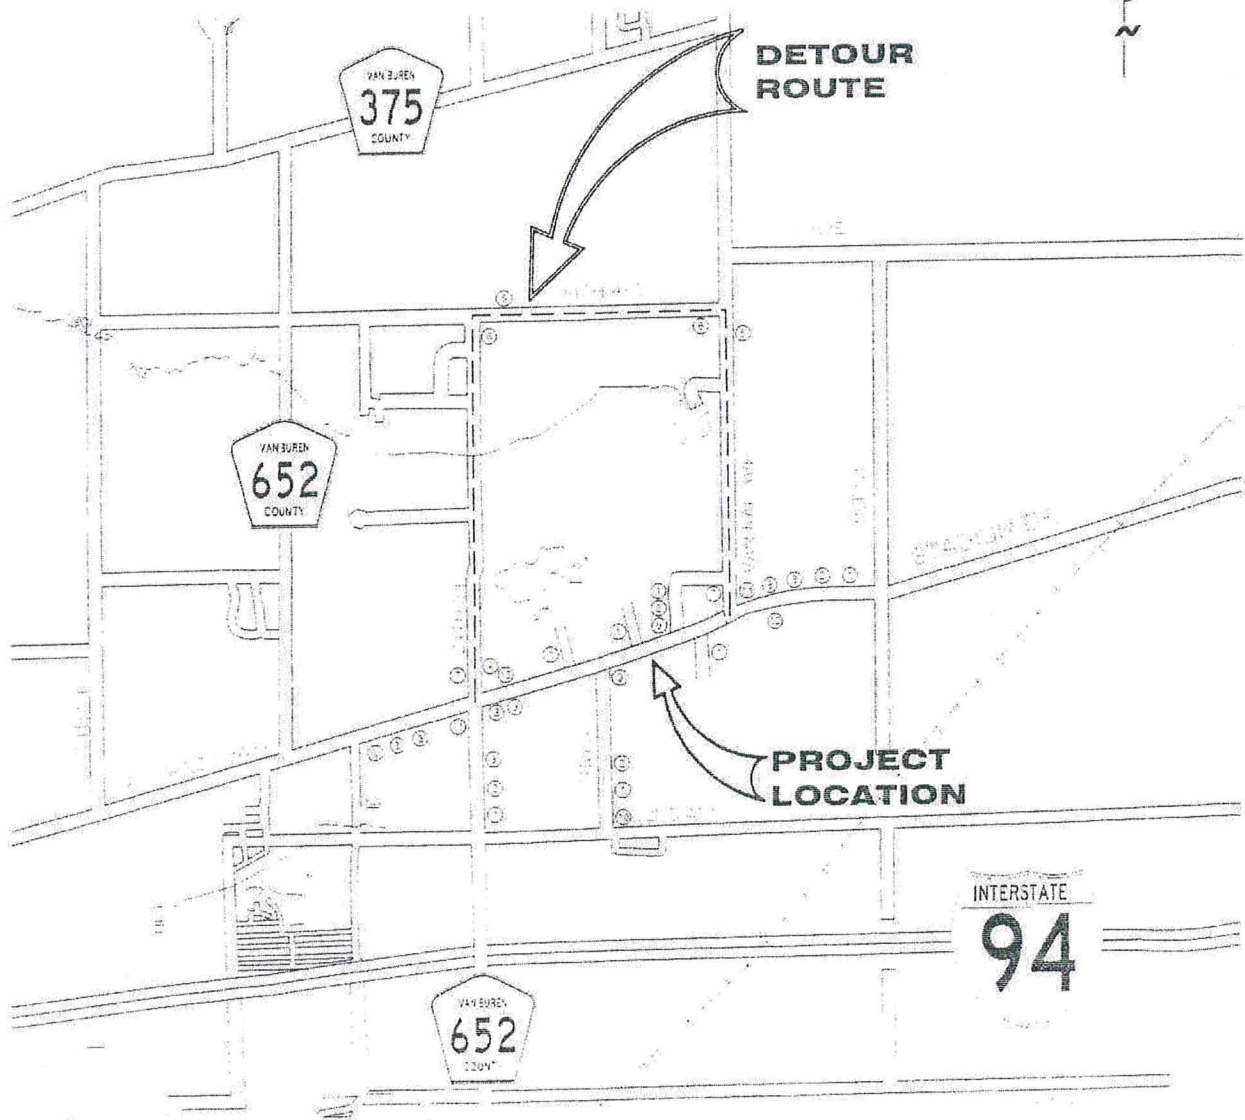

VAN BUREN COUNTY ROAD COMMISSION
