

Hello! My name is Jody VanBogelen. I have been married to my wonderful husband Kirk for 30 years, we have two children, 1 grandchild, and have resided in Mattawan for 20 years. With over 20 years of experience in event & travel planning, and owning **AQUA & EARTH TRAVEL** agency, I'm excited to be your 2016 Antwerp Township Senior Services Travel Planner.

I'm looking forward to bringing your travel dreams to life by offering you **safe** and **accessible** adventures. I call them **adventures** because it's not just about getting there but about having **fun, organized, memorable, convenient** and **value driven** experiences. You will have monthly opportunities to participate in these adventures with friends, neighbors, and family while meeting new people along the way.

What you can expect from me: knowledge, expertise, trust, dependability, fun, story telling, smiles, and laughter. I am definitely a people person and love Senior's.

We will begin by getting to know each other as I seek your input on 1 day and multi-day trips you think others would enjoy. I will add those ideas to my on-going list of opportunities for consideration. We would like to plan the entire year of adventures by the end of January, **so PLEASE give me your input ASAP!**

We have already planned your March & April adventures with sign up happening now!
Please see the flyer for information and to reserve your spot!

There are many ways to give your input and receive information on our upcoming adventures:

1. **Enjoy** the Wednesday luncheons and visit me at the travel table on the 1st & 3rd Wednesdays
2. **Participate** in the trip presentations during some of the luncheons
3. **Visit** the websites; Aqua & Earth (aquaearthtravel.com) or the Antwerp Township (antwerptownship.com)
4. **Read** your Antwerp Township Seniors quarterly newsletter
5. **Sign up** for my email mailing lists (visit the aquaearthtravel.com homepage)
6. **Call** my office at 269-760-9991
7. **Email** me at TRAVELWITHUS@AQUAEARTHTRAVEL.COM

So join the fun! I look forward to meeting each and every one of you and helping you enjoy **YOUR PATH TO ADVENTURE!**

Sincerely,
Jody VanBogelen
