RE: Red Arrow Highway from 26th Street to 28th Street, Antwerp Township

To Whom It May Concern:

The Van Buren County Road Commission has secured funding to improve Red Arrow Highway from 26th Street to 28th Street. The project will consist of tree removals, widening, cold milling and a new bituminous surface.

The first stage of the project will consist of tree removals. Tree work will take place within the next two weeks. The roadway will remain open during the tree work with minor delays. Property owners who would like to keep wood from their property are asked to contact our office to make arrangements immediately.

The remaining road work will begin late Fall of 2019. During this stage of the project, traffic will be detoured. Property owners will be able to get to their property and will need to use caution when traveling through the construction zone.

Your patience and cooperation is greatly appreciated. If you have any questions, please contact me at the Road Commission office at (269) 674-8011. Thank you.

Sincerely,

VAN BUREN COUNTY ROAD COMMISSION

Barry Anttila
Highway Engineer
