AFFIDAVIT: I agree the statements made within this application are true, and if found not to be true this application and any approval will be void. I agree to comply with the conditions and regulations required for this land division, combination or boundary line adjustment. I agree to give permission for officials of Antwerp Township, Van Buren County and the State of Michigan to enter the property where this land division, combination or boundary line adjustment is proposed for purposes of inspection to verify that the information on the application is correct, at a time mutually agreed upon. Finally, I understand this is only a land division, combination or boundary line adjustment, which conveys only certain rights under the applicable local land division ordinance, the local zoning ordinance, and the State Land Division Act (Act 288 of 1967, as amended) and does not include any representation or conveyance of rights in any other statute, building code, zoning ordinance, deed restriction or other property rights.

Approval of this application does not guarantee compliance with the Township Zoning Ordinance, guarantee issuance of a building permit or any other requirement. If this application is approved, I understand zoning, local ordinances, and State Acts change from time to time, and if changed the land division, combination or boundary line adjustment made here must comply with the new requirements (apply for approval again) unless deeds, land contracts, leases or surveys representing the approved divisions are recorded with the Van Buren County Register of Deeds or the resulting land division, combination or boundary line adjustment is built upon before the changes to laws are made.
